December 12, 1929

Hon. Harry E. Hull,  
Commissioner General of Immigration,  
Washington, D. C.

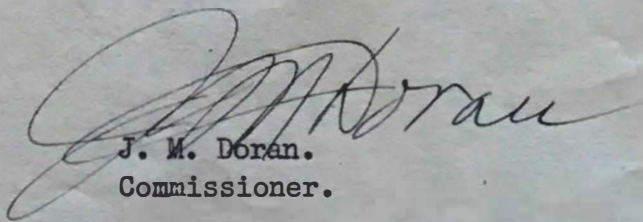

Dear Mr. Hull:

There is to be published in the near future,  
a series of monographs descriptive of activities  
of the Bureau of Prohibition.

The official personnel in our Federal services,  
which are coordinated in prohibition enforcement  
work, will be especially interested in these mono-  
graphs. We wish to supply all officers who may be  
interested or helped by reading them.

Will you therefore please send me a list of  
your principal official personnel, such as those  
engaged in immigration border patrol work.

Very truly yours,

  
J. M. Doran.  
Commissioner.

December 17, 1929.
